## TOTOLOTEK RECEIVES CUSTOMER AWARD IN POLAND

9 September, 2010

**Totolotek received the distinguished Golden Award 'Customer's Laurel 2010' in the category of fixed-odds betting. The Customer's Laurel is an annual contest, whose aim is to identify the most highly-regarded brands, products and services in the Polish market.**

Mr. Eleftherios Maroulis, General Director and President of the Board of Totolotek, stated: "Receiving a Consumer's Award is a very important distinction for us, since it ratifies Totolotek's success in the Polish market. The fact that the award was granted by customers empowers and motivates us to work even harder, as it shows that our efforts to satisfy our players have been successful. I am confident that keeping our customers at the centre of our activities at all times will help us maintain our leading position in the market."

Totolotek has been a subsidiary of INTRALOT group in Poland since 2004. The company is the leader in the fixed-odds betting market in Poland, and also holds a license to operate horse betting.
